The COH Story

Established in 1976 Camp Oak Hill has been showing youth what it means to live life abundantly through fun, fellowship and faith. Located just one hour north of the Triangle area, Camp Oak Hill enrolls 1,000 kids to join in an experience of a lifetime. They not only have an opportunity to grow by learning new skills and abilities that enhance their self-esteem, but leave changed with a greater knowledge of who they were created to be. We focus on leadership development and making a lasting change through our 6 year leadership program that focuses on Commitment, Discipleship, and Service. Through this process we equip our youth to be the next generation of future leaders in their community and world.
