

Camp Oak Hill Rotations - Summer 2024

Gym Games (Basketball, Dodgeball)

Engage in dynamic team sports and learn techniques and strategies from experienced players to enhance coordination and teamwork.

Field Games (Soccer, Flag Football)

Participate in popular field sports where experienced coaches help develop your skills and understanding of teamwork and strategy in soccer and flag football.

Riflery

Learn about gun safety and develop marksmanship skills under the guidance of certified instructors in a controlled and safe environment.

Archery

Master the fundamentals of bow handling and precision shooting, focusing on safety and technique with expert archers.

Boating (Canoeing, Kayaking)

Explore water adventures on two scenic lakes, learning the basics of paddling techniques and water safety in both canoes and kayaks.

Arts and Crafts

Engage in creative and fun projects, exploring a variety of materials and techniques under the guidance of skilled artists and crafters.

Worship Arts

Dive into the world of music and creative expression by learning instruments, songwriting, and the deeper meanings of worship and spiritual expression.

Pickleball

Discover the fast-growing sport of pickleball, learning rules, techniques, and strategic play from seasoned players.

Disc Golf

Develop your skills in disc golf with instructions on grip, stance, and throwing techniques for accuracy and distance.

Gardening

Gain practical experience in gardening under the tutelage of expert gardeners, learning about plant care, landscape design, and sustainable practices.

Discipleship

Deepen your spiritual journey by becoming more confident in articulating your testimony and sharing the gospel with guidance from experienced mentors.

Social Skills

Enhance your interpersonal abilities with focused training on effective communication, empathy, and social interaction.

Survival Skills

Equip yourself with essential survival techniques for emergency situations, including shelter building, foraging, and navigation.

Theater

Explore the world of theater through improvisational exercises and role-playing to boost confidence and public speaking skills.

Youth week only:

Model Rockets

Learn the fundamentals of rocketry, from design to launch, and experience the thrill of launching a model rocket into the sky.
